

POW Correspondence – Winston Mills Horne

In amongst family papers held by Winston's son, John, is a card sent by Win while he was a POW in Italy.

It was addressed to

Sapper
H Hill 36515
2nd NZEF
England

The Auckland War Memorial Museum Online Cenotaph has a record for a Harry Hill which matches the service number Win wrote on the card¹, however I have not yet managed to track down any descendants of Harry Hill online.

The card reads:

28-06-43
