Reference your letter of 14 May 44.

1. Up to the present this office has not received a Burial Return in respect of your brother who was killed in action on 25 March 44.

2. An enquiry is pending to the unit to render this information and with the occupation of the area in which your brother was killed it is hoped that his grave will be located and registered by a Graves Registration Unit in the near future.

3. You will be notified immediately any definite information is received.
