History Wellington Mounted Rifles 1914 + Wellington Mounter Rifles Vic Uni

06.09.1967 · A Senior Police Officer & Member of the Onehunga RSA wrote to Army Personal requesting verification of James & his history being 99 years of age and serving in The South African War (Boar War)

18.09.1967 · The reply came back stating he did not serve in South Africa & giving his DOB on his enlistment papers , but the rest of his history in that letter must have made the Police Office less suspicious and maybe a little prouder that he knew James.
