*Auckland, C.1 4th February, 1933.*

TO WHOM IT MAY CONCERN:

This is to certify that Mr. R. H. Meredith was employed by my Council from 1926 to 1932 as a motor-grader driver.

Mr. Meredith is a sober, conscientious workman who takes good care of his machine and is thoroughly conversant with the use of same.

I have no hesitation in recommending Mr. Meredith to anyone who has work for a first-class motor grader driver.
